**Email**

[rivoltafilippo@gmail.com](mailto:rivoltafilippo@gmail.com)

I am a seasoned Front-end Lead developer with a proven track record of creating accessible and user-centric interfaces. My expertise in Full-stack development enables me to provide valuable contributions to both front-end and back-end projects. My background in UI design allows me to bring a unique perspective and design-minded approach to my development work, resulting in exceptional user experiences. As a team player, I take pride in leading projects and mentoring other developers to achieve project success.

## + WORKING EXPERIENCES

---

- Oct 2022- Now

**London Stock Exchange**  
**Front-end Lead, Software Developer**

As a Front-end Lead Developer at LSEG Group, I am responsible for overseeing the development and implementation of the Turquoise Nylon Project, a cloud-based trading platform for derivatives.
- Feb 2021 -Oct 2022

**London Stock Exchange**  
**Senior Front-end Developer, Software Developer**

I continue my work as a software developer started at (orsa Italiana by joining the LSEG group.
- Sep 2019 - Feb 2021

**Borsa Italiana S.p.A.**  
**Front-end, Software Developer**

As a member of the LSEG international team, I am a Front-end Developer with a focus on web application development using the AGILE methodology. I have a particular interest in utilizing modern frameworks and libraries such as React, Express, and Socket.io to create high-quality and efficient applications. Additionally, I actively contribute to the decision-making process to ensure the success of our projects.
- Mar 2013 - Aug 2019

**Run Design Branding Agency**  
**Front-end Developer, Ui / Ux Designer**

As a Front-End Developer and UI/UX Designer, I am responsible for interpreting customer requirements, objectives, and constraints to create visually appealing and user-friendly websites and applications. I actively participate in the design, prototyping, and development process utilizing technologies such as HTML, CSS, and JavaScript to ensure alignment with the customer's brand.
- May 2015 - Aug 2016

**Mediase Premium**  
**Ui / Ux Designer, Run Design Consultant**

In collaboration with the internal team of the company, I took part in the realization of the User Experience and the development of the User Interface of Mediaset Premium's website.
- Mar 2014 - Dec 2015

**Mediaset Group**  
**Graphic Designer, Run Design Consultant**

In headquarters of the DCCI (Creative Direction for Image Coordination), I took part in the realization of press and web campaigns of the Mediaset brands.
